

**Richmond, VA & Miami, FL – February 4<sup>th</sup>, 2021**

Dear Valued Customers & Vendors of Salco Salt,

ICI Foods has opened an exciting new chapter with the acquisition of Salco Salt and its South Florida distribution facility!

Salco, located in Miami, FL, services food processing and swimming pool supply companies. Salco utilizes long-standing vendor relationships with industry leading producers of food grade salts, sweeteners and starches, as well as industrial salts used for a variety of water conditioning applications.

Salco owners Sheldon and Judy Shapiro built a strong business by providing tremendous supply chain value to its vendors and customers thru the facility, which ICI Foods will continue to operate in its current capacity.

ICI Foods has onboarded a very skilled and loyal team of three operational associates (Raquel Foreman-Llewellyn, Alejandro Jaramillo and Dillion Blake). The combined team will continue to deliver exceptional customer service and supply chain value to the customer base!
